## Medieval Writing

- Variance
- Mobility
- Rewriting
  
- Synchronic texts of equal value

3

Texts & Files WS 2006/07

© AAC / ÖAW 2006

## Consequence

- If the text is open and variable then the concept of the author/fixed text is absurd
- Consequence:
  - Relationship between text witnesses and the establishment of *the text* has changed to one of
  - presentation/reproduction of the individual witnesses and the texts as *a corpus*
